

MONNAIE ARCHITECTS & INTERIORS

ARCHITECTURAL CONSULTING

THE BEGINNING

Our first step in creating a mark in the designing industry begins in the year 2005 as a proprietorship. With our persistence, hard work and experience we finally established Monnaie Architects & Interiors in 2010. Us, the board of directors comprises of two architects, Mr.Premdas Krishna, Mrs.Praseetha Rajesh, a civil engineer Mr.Praveen Krishna and an MBA graduate with Phd - Mr.Pragabhal Das who develops business strategies. Also we have the guidance and support from our mother Mrs. Prema who coordinates all of us and make the team work in the most efficient way.

- Successful 700 plus turnkey projects
- 2 International and 2 National awards
- Fast growing client base & Transparent dealings
- Technology updated infrastructure
- Professional and time bound project handover

OUR MAIN SERVICES

We believe in delivering the best of our services to all our customers. Then, what are our services? To begin with, we focus on five integral services as follows

1 ARCHITECTURAL CONSULTING

Detailed analysis of client requirements and developing it into a plan by proper space planning and practical viability assessment.

We cover both Luxury and low budget projects.

2 TURNKEY PROJECTS

Our turnkey projects includes everything from architecture and interior consulting to construction and interior furnishing.

Available for low & high budget homes.

3 INTERIOR DESIGNING

We create unique and creative interior designs that cater to the client taste, budget and other requirements.

4 INTERIOR FURNISHING

We have a state-of-the-art factory equipped with automated machinery which provides you uncompromised quality.

5 ONLINE FURNITURE STORE

An exclusive online store where you can buy designer furnitures at best price & quality.

ARCHITECTURAL CONSULTING

We create unique and creative architectural designs that cater to the client taste, budget and other requirements.

- Architecture consulting is one of our integral services.
- We invest a lot of our thoughts and ideas in it to make it one of the best services available in the industry.
- Our Architecture consulting involves everything from analysing the taste, requirements, budget and land space of the client to developing it in to an idealised plan.
- Our Construction and interior furnishing services begins through our architectural and interior consulting services.
- You might have a number of questions on the same and let's answer it one by one.

Is our investment in consulting worth ?

YES !You get a clear cut idea about project before execution

Detailed area wise designs, drawings and cost estimation

Save money,time & get rid of headaches & troubles

Is this service viable for low budget customers?

Of course, **yes!** All our services are available in both Budget friendly and Luxury projects

if your budget is low, we are good to go as well.

How does your services begin with ?

Our Construction ,interior furnishing & Turnkey services begins through our architectural and interior consulting services.

So we have to start with our consulting services.

What makes your service stand out from competitors?

Transparency in dealings

Designs,Drawings & Estimation before moving to construction

Planning interior before construction

TURNKEY PROJECTS

We make our designs turn into reality using technology updated infrastructure along with skilled workforce and delivering it right on time.

- Turnkey Project includes everything from Architecture & interior consulting to Construction & Interiors Furnishing.
- All you need to do is to share your ideas, budget and requirements.
- The key will be handed over to you once the home is ready to occupy.
- If the Clients have land to build their dream home/building, we will help that dream come true by analysing everything in detail and they don't have to worry about a single thing till the key handover.
- Now, let's answer a couple of questions you would like to know about our turnkey projects.

Why should we choose your Turnkey Project?

We do everything from consulting to execution and you don't need to worry about anything.

You can get rid of the headaches of hiring contractors for various services as we provide everything under one roof.

Are your Projects budget friendly?

Absolutely! Client budget is analysed right from the consultation time.

We make sure the cost does not exceed the limits and burden the client.

Do you provide interior furnishing in Turnkey projects?

Yes! it is included

Are your projects time bound?

Definitely yes! finishing the projects on time is our top priority.

Even if there comes an unexpected delay caused by any technical/geographical factors, we make sure it's sorted out soon.
